

When the daily, endless cares of your household duties begin to seem drudgery to you, don't become cross and irritable. When you're tired and worn out, when the pleasure is gone from caring for your family, it's not your mind that rebels but your overwrought physical organization. You need a tonic to rebuild your strength and restore your health. Try Cardui, the woman's tonic which, during more than half a century, has been found to relieve the weakness and ailments from which only women suffer.
